#### B. Coverholder's consent

It is a condition precedent to the liability of the **insurer** that their consent to incur **legal expenses** or **professional expenses** must firstly be obtained in writing. This consent will be given by the **coverholder** on behalf of the **insurer**, if the **insured** can satisfy the **coverholder** that:

1. It is reasonable to incur **legal expenses** or **professional expenses** having regard to the proportionality between remedy claimed and the **legal expenses** or **professional expenses** to be incurred;
2.
  - i) Where the **insured** is pursuing, there are reasonable prospects of proving the other party's legal liability and of recovering the damages claimed or other legal remedies sought; or,
  - ii) Where the **insured** is defending, the other party does not have reasonable prospects of proving the **insured's** legal liability; or,
  - iii) In respect of criminal prosecution and where the **insured** pleads guilty there is a reasonable prospect of significant mitigation of the **insured's** sentence or fine.

Should during the course of a **claim** the **insured** ceases to satisfy the **coverholder** in respect of 1 and 2 of Coverholder's Consent indemnity will be withdrawn. For a decision to be made on granting or withholding consent the following must be received by the **coverholder**:

- A completed insurance Claim Form
- The documentation and information reasonably requested by the **coverholder**
- Any advice the **coverholder** may deem necessary to take
- A legal opinion from the **appointed representative** as to 1 and 2 of Coverholder's Consent

The **coverholder** reserves the right to limit its consent by time and or financial amount of **legal expenses** or **professional expenses** and or

stage of proceedings to allow for a review of their continued consent.

The **coverholder** at its discretion may require the **insured** to seek an opinion from Council, at the **insured**'s expense, as to the merits of the **claim**. Such opinion is to have regard to the same issues that the **coverholder** has in assessing the merits of any legal action. If based upon such an opinion the **coverholder** is satisfied in respect of 1 and 2 of Coverholder's Consent the **legal expenses** and **professional expenses** in obtaining that opinion will be paid by the **insurer** within the limits of indemnity.

If after consent has been granted it is shown that the particular **claim** or **legal proceedings** have not been brought within the terms and conditions of this Policy and its Schedule the **coverholder**'s consent will be withdrawn and no indemnity shall be provided. The **insurer** shall be entitled to recover any **legal expenses, professional expenses, awards of compensation** and any other allowances previously paid.

If the **insured** elects to proceed with the pursuit or defence of a **claim** or **legal proceedings** to which the **coverholder**'s consent has been refused through lack of reasonable prospects as required in 1 and 2 of Coverholder's Consent and if the **insured** is successful in such pursuit or defence, the **insurer** will pay **legal expenses** or **professional expenses** incurred after such consent had been refused subject to the terms conditions of this Policy.

In granting its consent the **insurer** undertakes to provide indemnity to the **insured** subject to the terms and conditions of this Policy and its Schedule but such consent does not imply that all **legal expenses** or **professional expenses** or **awards of compensation** will be paid.

In particular **legal expenses** or **professional expenses** for matters that go beyond the immediate scope of the **claim** or **legal proceedings** shall be deemed by the **insurer** to fall outside the indemnity provided by this Policy.

### C. Choice of appointed representative and counsel

The **coverholder** will choose an **appointed representative** to act on behalf of the **insured** in any **claim** under certain Sections as specified in the Schedule.

Where recourse is necessary to a lawyer and proceedings are issued, the **Insured** is free to choose an **Appointed Representative** to act in the name of and on behalf of the **Insured** in any **Legal Proceedings** to which Qdos has consented. The name and address of the **Appointed Representative** the **Insured** proposes to instruct, must be notified to Qdos in writing. Qdos will accept such nomination provided Qdos is satisfied the proposed **Appointed Representative** will cooperate and enable the **Insured** to comply with the terms and conditions of this policy. Where the **Insured** chooses to appoint a non-panel **Appointed Representative** the **Legal Expenses** payable under this Policy shall be restricted to those detailed in Qdos' standard terms of appointment for panel representatives and always subject to the **Limit of Indemnity**. A copy of the standard terms of appointment for panel representatives is available on request by contacting Qdos using the details shown in the section of this Policy titled 'Claims'.

A dispute arising from the **insured**'s choice may be referred to Arbitration in accordance with General Condition A. The **insured** must not, without the written consent of the **coverholder**, enter into any agreement with the **appointed representative** as to the basis of calculation of **legal expenses**. The **coverholder** may withdraw consent previously given at any time.

In selecting the **appointed representative** the **insured** shall have regard to its duty to minimise the cost of any **claim** or **legal proceedings**. In all other **claims** the **coverholder** will choose the **appointed representative** subject to the **excess**.

In all cases the **appointed representative** shall be appointed in the name of and on behalf of the **insured**. If in the course of any **claim** or **legal proceedings** the **appointed representative** wishes to instruct Counsel or an expert, Counsel's or the expert's name and an explanation of the necessity for such instruction must be submitted to the **coverholder** for consent to the proposed instruction which will not be unreasonably withheld.

### D. Disclosure

It is a condition precedent to the **insurer**'s liability that:

1. The **insured** must give to the **appointed representative** and the **coverholder** all necessary help and information including a complete and truthful account of the facts of the case and all relevant documentary or other evidence in the **insured**'s possession. The **insured** must provide, obtain or execute all documents as necessary and attend meetings or conferences as requested.
2. The **coverholder** is entitled to receive from the **appointed representative** and **Insured** any information, documentation or advice in connection with any **claim** or **legal proceedings** even if privileged. In addition the **insured** must instruct the **appointed representative** to provide the **coverholder** with regular updates on the progress of any **claim** or **legal proceedings** and inform the **coverholder** immediately if and when any circumstance adversely impacts the factors taken into account in granting **coverholder**'s consent. On request the **insured** will give to the **appointed representative** any instructions necessary to secure the required access.

Cover may be withdrawn if the **insured** fails to co-operate at all or within a reasonable time with the **coverholder**'s or the **appointed representative**'s requests.

### E. Offer of settlement

It is a condition precedent to the liability of the **insurer** that the **insured** must inform the **coverholder** in writing as soon as an offer to settle a **claim** or **legal proceedings** is received and or the **insured** proposes to make an offer of settlement. In any settlement, the **insured** must have regard to **legal expenses** or **professional expenses** incurred or likely to be incurred by the **insurer** and the recovery thereof. No indemnity will be provided if the **insured** enters into any agreement to settle without the prior written consent of the **coverholder** (such consent not to be unreasonably withheld) and the **insurer** shall be entitled to recover any **legal expenses, professional expenses** or **awards of compensation** previously paid. If the **insured** unreasonably rejects an offer of settlement which the **coverholder** recommends acceptance of or makes an offer which the **coverholder** does not agree no further indemnity shall be provided.

The **insurer** may at its absolute discretion decide to pay the **insured** the amount of damages that the **insured** is claiming or is being claimed

against the *insured* instead of indemnifying the *insured* for *legal expenses, professional expenses* or *awards of compensation*. Where the *insurer* exercises this discretion the *insurer* will cease to be liable for any further *legal expenses, professional expenses* or *awards of compensation*.

#### **F. Payment of legal expenses, professional expenses and awards of compensation**

All bills relating to any *claim* or *legal proceedings* which the *insured* receives from the *appointed representative* should be forwarded to the *coverholder* without delay. If the *coverholder* so requires the *insured* must ask the *appointed representative* to submit the bill of costs for assessment or certification by the appropriate Law Society, court or tribunal.

The *insured* is responsible for payment of all *legal expenses* or *professional expenses* or *awards of compensation*. The *insurer* may settle these directly if requested by the *insured* to do so. The payment of some *legal expenses* or *professional expenses* does not imply that all *legal expenses* or *professional expenses* or *awards of compensation* will be paid.

#### **G. Appeal procedure**

If, following *legal proceedings* to which the *coverholder* has consented, the *insured* wishes to appeal against the judgment or decision of a court or tribunal, the grounds for such appeal must be submitted to the *coverholder* through the *appointed representative* immediately or as soon as practicable so that the *coverholder* may consider whether to consent to such further action. If an appeal is lodged against a judgment or decision of a court or tribunal made in favour of the *insured* following *legal proceedings* to which the *coverholder* has consented, the *insured* must notify the *coverholder* immediately in order that cover shall continue. The *coverholder* will inform the *appointed representative* of its decision. If, the *coverholder* so requires it the *insured* must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

#### **H. H. Recovery of costs**

Whenever the *insured* is awarded costs or under the terms of any settlement where costs are included, those costs are to be repaid to the *insurer*. The *insured* and their *appointed representative* must make every effort to make a full recovery of costs. Where a settlement purports to be a global or a without costs settlement or where costs are awarded but not recovered, the *insured* agrees that a fair and reasonable proportion of that settlement will be deemed costs and due to the *insurer*. Where such a settlement is paid in instalments all costs to the *insurer* shall be paid first.

#### **I. Fraudulent claims**

If the *insured* makes any request for payment under this Policy knowing it to be fraudulent or false in any respect or ought reasonably in the circumstances to know it to be fraudulent or false or where there is collusion between any parties to the dispute, this Policy shall become void and any premiums paid hereunder shall be forfeited and the *insurer* shall be entitled to recover any *legal expenses* or *professional expenses* or *awards of compensation* previously paid.

#### **J. Insolvency or liquidation of the insured**

If the *insured* becomes insolvent or is placed in liquidation during the course of any *claim* or *legal proceedings* to which the *coverholder's* consent has been given the *coverholder* reserves the right to withdraw that consent. The *insured* shall be deemed insolvent or in liquidation upon the appointment of an office holder within the meaning given by the Insolvency Act 1986 or upon the appointment of a receiver within the meaning laid down in the Companies Act 1985.

#### **K. Duty to minimise**

The *insured* must take all reasonable precautions to avoid and prevent *claims, legal proceedings* and disputes.

The *insured* must use every endeavour and take all reasonable measures to minimise the cost and effect of any *claim* or *legal proceedings* under this Policy

#### **L. Value Added Tax**

If the *insured* is registered for VAT, the *insurer* will not pay the VAT element of any *legal expenses* or *professional expenses*.
